**COURSE DESCRIPTION**

*The Civilian Supervisor Leadership Course for Public Safety Professionals is a 4 1/2-day training program designed for civilian public safety supervisors and managers seeking to strengthen their leadership skills. Participants will gain practical strategies for managing teams, enhancing communication, and addressing the unique challenges of leadership within public safety organizations.*

*By the end of the program, participants will leave with the tools, knowledge, and confidence needed to lead with greater effectiveness and make a positive impact within their organizations.*
